TRANSPORT

Parents are responsible for organising their children's transport to and from the College. Students travelling by bus are delivered directly to the College each morning. Full details of timetables, concession fares etc. may be obtained from the bus companies listed or from Queensland Transport Department (Maroochydore).

FEE STRUCTURE

Glasshouse Coaches will charge students a fee for a minimum of ten tickets. This fee will be charged according to what zone your pick up and drop off points are situated in.

At present there are two options:

1. **Bus Rebate System (Weekly)**
   A receipt will be issued by the bus company. You will need to present your receipt to the College office and you will be reimbursed the government subsidised proportion of your payment with a safety net of $20 per family per week. (This amount is subject to change each semester)

   You will then be required to register for the **Non State Schools Transport Scheme** online on their website [www.schooltransport.com.au](http://www.schooltransport.com.au) or contact them directly on 3336 9192. You will receive a subsidy payment from them mid-year and again at the end of the year which will then need to be reimbursed to the College. An invoice will be sent to you to compensate for the payments we have made to you through the year.

   **You must register in order to receive any subsidy.** Failing to do so will prevent you from being reimbursed. Please note applications won't be accepted until May (for Semester 1) and Oct (for Semester 2) of each year.

2. **Bus Rebate System (per Semester)**
   You keep your receipts and then apply directly to the **Non State School Transport Assistance Scheme** (details above). A cheque will be sent in July and then again at the end of the year.
