From the Principal

Welcome back to GCCC in 2013

I trust you had a wonderful break and feel refreshed and ready for an exciting year ahead. It was a bit of a soggy start to the school year and I hope you and your families were high and dry during the recent terrible weather.

A special welcome to all of our new families. I pray your time at GCCC will be long and enjoyable.

Congratulations Sarah Davis

We were very excited and proud to hear that Sarah Davis (graduating student 2012 and College Captain) scored an OP1. Sarah has since been accepted into the University of Queensland to study medicine. Well done Sarah!

Congratulations also to all our other 2012 graduating students. They did the College proud.

College starting and finishing times

Just a reminder that school begins at 8.30am sharp for Middle and Senior School students this year and at 8.36am for Primary students. Middle and Senior School students finish at 2.50pm and Primary students at 3pm. Please work together with your child to ensure they arrive on time in 2013. If you are parents of exclusively Middle and Senior school students, it would assist the afternoon traffic flow through the carpark if you could collect your children at 2.50pm and leave as soon as possible. Thanks for your assistance with this.

Parking

Creating more car parks is still a high priority but it will take time before this becomes a reality. In the meantime, can I please encourage you all to use the Kiss and Go lane on Roberts Road. This is a single file traffic lane where parents quickly either drop off or collect their children without having to leave their vehicle or enter the school grounds. The children can be dropped off safely and enter the school without concern.

Very soon we hope to begin construction on a large shelter where students can wait for their parents of an afternoon. This area will be supervised in the afternoons until 3.15pm.

The rules of the Kiss and Go are simple. Parents are not allowed to stay longer than two minutes. This ensures a swift arrival and departure and allows other parents to enter the Kiss and Go lane. If two minutes expires and the child has not arrived, parents will depart the Kiss and Go lane and then rejoin at the back of the queue. Turning around can be safely facilitated at the Nichols Avenue roundabout.

Tuckshop

Volunteers to help in the Tuckshop will be welcomed with open arms. If you can help or want to know more please email Cathy on cathy.boyer@gccc.qld.edu.au

Please remember to order online (details on www.gccc.qld.edu and under College Life, Tuckshop) Tuckshop is closed Wednesdays.
Drivers are not allowed to leave their vehicles and it is the student's responsibility to keep an eye out for their parents care and ready themselves for collection. Similarly at drop off, students are to quickly disembark the vehicle.

New Staff

Due to the continued growth of the College we have quite a few new staff members and they will be introduced in this and subsequent newsletters. I am excited by the quality of the new appointments and know they will complement our already excellent College faculty.

Parents and Friends (P and F) Association

The GCCC Parents and Friends Association is a group of parents (mostly) and volunteers who work closely with the College to achieve common goals, making things better for our children. All parents are guardians of students are warmly welcomed to join. Meetings are usually held on the first Tuesday of the month at 7pm in the College library.

P and F Family Fun Day - Saturday 23 February 11am to 3pm

This is an annual event held at the beginning of the year so families can get to know each other and just have a really good time. It is held on the College grounds in (almost) all weather conditions and is a great fun day for all ages. Sizzling sausages, juicy watermelon, friendly games and the famous tug-of-war between parents and students are just some of the activities that make this a day not to miss. See you there!

Mike Curtis, Principal

Introducing John Dohler, Business Manager

I have been happily married to Nicole for 16 years and have two daughters, Joanna (13) and Charlotte (or Charlie, 9). For schooling and professional reasons, my wife and children will remain behind in Alice Springs for the duration of 2013.

I have worked continuously in Independent Schools for the last 17 years, most recently as Business Manager of Good Shepherd Lutheran College in Noosa and Yirara College of the Finke River Mission in Alice Springs; a mission boarding school for secondary aged indigenous students from remote communities in Central Australia.

I don’t have many hobbies but I do enjoy recreational mountain bike riding and spending time with my family.

I am very excited to be working at GCCC and to be living back on the coast. In particular, I am pleased to be working at a school where the Gospel of Jesus’ love and salvation is so obviously a part of the everyday life of the College. I am looking forward to serving and getting to know the staff, parents, students and friends of GCCC in 2013 and beyond.

Introducing David Heyworth, Head of Senior School

I was born in Uganda, Africa where my parents were serving as medical missionaries. I attended a Christian boarding school in England before emigrating to Australia where I completed my secondary Education in Brisbane.

After completing a degree in Land Surveying at the University of Queensland I decided that my vocation lay in the field of education and so completed my education qualifications in 1987.

My first teaching position was at Ipswich Grammar School where I was eventually made Head of Mathematics. During this time I also gained post graduate qualifications in computing.

In 1999, I was appointed as Deputy Principal and Head of Secondary at Hillcrest Christian College on the Gold Coast. I continued my studies gaining an MBA from Griffith University in 2006. In 2008, I decided to have a break from education and was appointed as the General Manager of a private consultancy firm on the Gold Coast. I returned to teaching last year and served at Calvary Christian College.

I am very pleased to now be working at GCCC. I am married with two children - my son is studying Medicine and my daughter is studying at Bible College.

I enjoy bush walking, motorbike riding, diving and travel. I became a Christian when I was 12 years old and have served the Lord in various positions in Baptist and Christian Brethren churches. I am passionate to see all children achieve their potential.
Introducing Gail Mitchell, Assistant Head of Primary

GCCC has a reputation of excellence and I feel fortunate to be joining a school culture focused on growth in faith and knowledge, student learning, a commitment to high expectation, innovation and collaboration. My goal is to do everything I can to support your child in having a successful school experience.

Originating from South Africa, I lived in New Zealand for many years and then moved to Australia five years ago with my husband and twin sons. During this time I taught at Townsville Grammar School, Matthew Flinders Anglican College and in the Northern Territory. I also worked in Malaysia on a teaching scholarship and spent time in Japanese schools while facilitating a student exchange programme.

I love spending quality time with my family and that usually involves going to the beach or travelling. I also love reading books, going to the movies, drawing and painting.

My faith and Christian walk is based on Biblical teaching and on a growing personal relationship with my Saviour, the Lord Jesus Christ. I am humbled by God’s amazing grace and faithfulness as I take up this position of service at GCCC.

Introducing Karen McQuade, Administration Officer

I live on a macadamia nut farm with my husband, two of my three sons and our mini Foxie called Trevor.

I have been working at a Christian college for nine years as a Teacher Aide and am excited about working as an Administration Assistant at GCCC.

My hobbies include treasure hunting at garage sales and restoring old furniture.

Introducing Primrose Kombanie, Secondary Teacher

I am married with a daughter and two sons. I teach Interior Fashion Design and Hospitality and have also taught English and ICT in the past.

I love working with young people as they develop their world view. I enjoy fellowship, making tailored garments and, occasionally, will keep up with fitness.

My favourite food will have to be anything with meat in it. Favourite spot in the world is the Victoria Falls rainforest and my favourite Bible verse is Psalm 33, verse 11: The counsel of the Lord stands forever. The plan of His heart to all generations. Blessed is the nation whose God is the Lord, the people He has chosen as His own inheritance.

Introducing Bronwyn Wynn, Primary Teacher

I arrived from Sydney last week with my husband. We moved up here to be closer to my husband’s family and because he loves the Sunshine Coast so much. I have lived in Sydney for over 30 years. While there I taught in various schools in the Western area of Sydney. My last teaching position was at Penrith Anglican College where I had been for more than five years.

I love gardening, reading, walking, getting together with friends and am currently learning to water ski.

---

Uniform Shop

New and second-hand uniforms.

Mon 8.00 - 9.00am & Wed 8.00 - 9.00am
Fri 8.00 - 9.00am & 2.30 - 3.30pm
Please phone Kylie on 0429 200 400.

Second Hand Uniforms

If you have quality second hand uniforms please drop them off with the completed form (downloaded from GCCC website, College Life, Uniform Shop) to the Uniform Shop.

Email secondhanduniform@gmail.com if you can assist.
I guess like me, you have all been amazed at how quickly the holidays have flown.

Firstly, I would like to extend a sincere GCCC welcome to every family in the Primary school and particularly all the new families who have joined us for the first time. We pray that this year will be an incredible year for you and your children as we work together to provide the best learning environment we can for their educational journey.

The following information will be helpful for you to ensure a smooth start for the beginning of the year.

**School begins at 8.36 am daily this year.**
Because of changes in the secondary timetable the Primary College will begin lessons at 8.36am daily. It is essential that children are here by 8.36am as late arrivals impact teachers and students, but more importantly, they impact the actual child who arrives after instructions for the first lessons have been explained. Students are expected to have things organised by the beginning of the day and a late arrival means that children will be disadvantaged considerably.

Specialist lessons begin at 8.36am for some classes this year. Teachers will inform you if this is the case. If children arrive late, they will have difficulty accessing these curriculum areas. Teaching and learning must always be our focus so late arrivals and early departures should be avoided wherever possible. Remember that late arrivals and early departures must go through the office.

**Introducing Mrs. Gail Mitchell – Assistant Head of Primary**
I am delighted to introduce our new Assistant Head of Primary who will be working closely with Primary staff and students this year. Mrs. Mitchell comes to us with a wealth of experience and will be responsible for student welfare including behaviour management and Primary curriculum and she will also spend some in Mr. Costin’s class, as he has been released to support teachers in e-learning for the Primary College. Mrs. Mitchell and I will be working as a team and I am very excited about her appointment as we have the same ‘heart’ towards teaching and learning and student welfare. You would have read more about Mrs Mitchell earlier in the newsletter.

**Meeting with Class Teachers**
Please remember to make an appointment with your child’s class teacher if there are any concerns. In nearly all cases, parents and teachers at GCCC work together and things are quickly resolved. However, if a genuine concern is not resolved, please contact Mrs. Mitchell for an appointment to discuss the matter.

For pastoral care issues it is always important for class teachers to be made aware of anything which may impact your child emotionally, behaviourally or educationally. You may also wish to pass this information on to Mrs. Mitchell or myself and if so, please make an appointment through the office.

**Lunch and Afternoon Tea**

**Year 3-6**
It would be appreciated if you would send lunches and afternoon tea in Gladwrap etc. so they can be removed from students’ lunch boxes and taken to the eating areas at break times. This procedure will minimize the loss of lunch boxes and reduce the chance that they may be damaged if not placed carefully in the class lunch box tubs.

**Prep – Year 2**
Younger students in Prep – Year 2 eat their lunch and afternoon tea in their classrooms or on the verandahs. This allows supervision and monitoring of what is provided and what is being eaten. Prep-Year 1 students will take their lunch boxes to breaks.

**Books and Equipment**
I am sure that you would understand the importance of students having all their books and equipment to begin the school year. These lists were provided in Term 4 for orders to be placed. From today, teachers will be organising books with title pages etc. and recording work to begin specific curriculum areas. I cannot stress enough the impact of not having all books at school to start the year. Some families who have enrolled students only last week, please purchase these as soon as possible.

**Junior Playground Area before school**
All students are to assemble before school in the Senior Undercover Area where they will be supervised as they play before the first bell. There will be a staff member on the junior playground equipment to monitor that any student playing on this playground before school is being carefully supervised by his/her own parents. Our policy is that any use of this playground before and after school must be with close parental supervision as we do not provide staff supervision at these times. We would appreciate your cooperation with this to ensure the safety of your children.
Buses and Collection of students after school

Prep parents have already received information about collection times each day.

All Year 1 – 6 students will be walked over to the Senior Undercover Area by their teacher. Children will sit in class groups ready for parent pick up by 3.15pm.

We ask that all children except the late bus students are collected before 3.15pm each day.

Bus students will move to the various areas near the bus shelter on the ring road where they will be marked off the roll by staff and they will then line up near the various buses in preparation for entry.

PLEASE NOTE that the ring road in front of the College must only be crossed where there are pedestrian crossings. Children’s lives will be at risk if they cross the road in front of or behind buses which are parked ready to leave. We ask that parents use the ‘Kiss and Go’ on Roberts Road or park and come across the road on the crossing to walk children to the car. The speed bumps with stripes painted are NOT CROSSINGS. The safety of your children will always be your main concern and ours.

Bus Travel

It is important that the office and teaching staff are aware of any early bus students. These students need to catch the 3.00pm bus from the College over to Beerwah State High School and change to local bus runs. If in doubt please phone Glasshouse Country Coaches. Students need to leave class at 2.50pm to catch this bus so the office needs to have this information to have up to date lists to distribute to class teachers to allow children to leave early (2.50pm).

Sight Words and Home Readers

If your child is in the Lower Primary or Years 3-6, very soon they will be bringing reading books home on a regular basis. Teachers will give more details in the next couple of weeks. Even children who find reading difficult will improve over time if these books are faithfully read each week.

Teachers do running records with students on a regular basis to place them on the appropriate reading levels. There is an instructional level, which happens at school and Home Readers are chosen which are a level below, so children should be able to manage these without difficulty. If you find that, for any reason, your child is struggling with these, please speak to his/her teacher.

It is imperative that readers are returned on the appropriate days. Class teachers will give information about this. In most cases, these books will be changed two or three times a week as this is a huge job for our teacher aides. It is still beneficial to read the book more than once so that reading is practised every night. Please assist your child by asking questions starting with Who What Why When and Where? And even “What do you think could have happened if …?” Remember that Reading improves Reading!

Professional Development in Pupil Free Week

GCCC Staff were engaged for most of last week in professional development and the roll out of College initiatives regarding Teaching and Learning and other important professional duties.

It was a very busy week but teachers are all well prepared to begin another wonderful year and so grateful that apart from having no internet (a Telstra problem), we are functional and even have air conditioning.

Website Information

All important information can be found on the College website at www.gccc.qld.edu.au Please check this regularly for important events, parent information, newsletters and the College Calendar.

Finally, we take seriously your decision to make Glasshouse Country Christian College your children’s school. It is a responsibility we do not take lightly and our prayer, as a staff, is that home and school will work closely together so your children will achieve their best and continue to develop into fine young students of this wonderful nation.

Blessings

Cheryl Bryers, Head of Primary
Middle School News

A warm welcome to our new students to GCCC and the Year 7s who have moved up into the Middle school and all our existing wonderful students who we love and appreciate. We pray that your journey with us will be blessed and of value this year.

Speaking of value – our school uses the acronym GREAT to communicate the overriding values that we uphold. The first one is godliness. The Bible makes clear that, ‘To fear God is the beginning of wisdom’, Proverbs 9:10. The last few days have been a testimony to the plans we have and who is ultimately in control. Yet God is not capricious, He loves us and has put order into the world we live in. Hence, our other values stand for Respect, Excellence, Attitude and Teachability. We will spend a term unpacking each of these values, beginning with Respect.

Parent Information Night. This will be held on Wednesday 13 February. This year we have a few evening events where we would like EVERY parent to attend. We believe it’s important to meet you and at a few key times to discuss with you how your child is going in this all-important time in their lives. Please mark this on your calendar and come to meet your child’s Pastoral Care and other teachers.

A note will have been sent home via your child and also via your emails this week. Please take the time to read this as there are some significant changes to some areas of our school policies and procedures this year and we would not like these to be a surprise to you.

I look forward to working with you all this year.

Jacqualina Vreeling, Head of Middle School

Senior School News

GCCC is a GREAT school

This year the Middle and Senior years will be focussing on our Core Values and what that means practically.

G - Godliness
R - Respect
E - Excellence
A - Attitude
T - Teachability

Each term we will focus on one of these values, starting in Term 1 with RESPECT. Now if you are any good at maths you will probably have realised already that there are 5 letters and only 4 terms in a year. That’s because the first value GODLINESS is the over-arching value that affects everything we do.

As we look at RESPECT, we will explore the two types of respect that people demonstrate – “demanded respect” and “earned respect”. As the Head of Senior, I will be demanding a certain level of respect from all students, however what I will endeavour to eventually achieve is a high level of earned respect. Both types of respect are important for young people to grasp. In 1 Peter 2:17, the apostle Peter appeals for us to “show proper respect to everyone”. The challenge is recognising that we are all created in the image of God and therefore we all deserve respect.

David Heyworth, Head of Senior School

Wedding Bells

Here are a few of the long promised photos of our dear Miss Parton (who is now Mrs Beaden) at her wedding in December last year.
Welcome back to another year. There are plenty of groups and opportunities for your child to be involved in music here at GCCC in 2013.

Music and band lessons commence next week (Week 2). If you would like to enrol your child in lessons, please download an enrolment from the College website under Learning, Music and return the completed form to Admin.

The Instrumental Handbook is also on the website detailing information about Instrumental Music Programme. We offer lessons in piano, woodwind (clarinet, flute, saxophone), brass (trumpet and trombone), strings (violin, viola and cello), drums, singing and guitar.

Please do not hesitate to contact me at the College or email me at ebony.hilton@gccc.qld.edu.au if you have any questions regarding the program.

**Ensembles**

*Primary and Secondary bands and String Ensembles will commence Week 3*

**Primary Band**
Tuesday 7.45am to 8.30am

**Concert Band** (Middle and Senior students)
Tuesday 3.15pm to 4.30pm

**Primary String Ensemble**
Tuesday 1.20pm to 2.00pm

**High School String Ensemble**
Tuesday 12.45pm to 1.25pm

**Choir rehearsals commence Week 2**

**Upper Primary Choir**
Monday 3.15pm to 4.00pm
Tuesdays 10.36am to 11.20am

**Junior Primary Choir**
Thursday 10.36am to 11.15am

**Middle School Vocal Group**
Thursday 12.50pm to 1.20pm

---

**Future Pathways**

**Welcome Back!**

Welcome back to all the Future Pathways students, and their families, in our Senior School this year. Watch this space in our fortnightly newsletter to keep up with all things to do with Traineeships, Apprenticeships, TAFE courses, University Headstart as well as information on jobs, careers, career expos, work experience, QTAC.

**Year 10 Work Experience**

Thank you to all the students and families who have been working with us to finalise work experience arrangements. Many are completed while others are currently sorting out final details. We appreciate the response we have had from both students and parents in helping to get this organised.

To be ready for the students to go out in Week 8 (18 – 22 March) all placements must be completed next week, that is by Friday 8 February, as the paperwork for all parties to sign depends on a complete set of details to generate documents.

Of concern are the students who have not handed back their Industry placement form and have not approached either Mrs McMinn or Mrs Ferris for some help. All students have been reminded this week that this is now urgent. If they are having difficulty finding a placement we have asked them to come and talk to us to get some help with this. Our ability to tailor the placements to the student preferences will be very limited by next week so the sooner the forms come back to us the better the outcome will be.

**Congratulations**

Results from 2012 have been coming in to the College over the holidays. Congratulations to Kade Laws who completed a traineeship with Valhalla Lightmare Studios including a Certificate 111 in Media.

Also to Juanita Greasley who completed a traineeship in Hospitality with The Terrace Restaurant Maleny including a Certificate 111 in Hospitality. Fantastic achievements for these young people.
Over the holidays we also received results for our Headstart students studying first year University subjects at the University of the Sunshine Coast. The following students passed their Headstart subjects last year. Jordyn Bennet completed Communication and Thought and MacKinley Brisbane studied Visual Arts. Also, Katie Derm-Williams and Rebekah White, on scholarships at the university, completed a year of Indonesian. Katie and Rebekah having completed two subjects at the university will now have preferential treatment in entering the university at the end of year 12. Jordyn and MacKinley have both enrolled for another subject in first semester this year and will be joined by a further 5 students who have been accepted into studies starting in February. Good luck to all our Headstart students in 2013!

Traineeships at Caboolture Sports Club

Caboolture Sports Club is looking for senior students to commence traineeships in Hospitality. The jobs will involve work on Floor/Bistro/Bar/Reception/Events and will include either a Certificate III in Hospitality or a Cert II in Kitchen Operations. Any interested students should see Mrs Ferris straight away and bring an up-to-date resume. A Recruitment Night is being held on 12 February at the Caboolture Sports Club. For more information please see Mrs Ferris or look on Moodle.

For last year’s School Leavers

Sunshine Coast Council offers full-time 12 month traineeships to young adults recently finished school (ages up to 24). The Council offers a range of positions and provides excellent training and support which is a great way to start a career. All information about the traineeships is on the Council website and applications close soon. Anyone wanting more information can contact Mrs Ferris.

A message from QTAC for last year’s Year 12 graduates: If you do not secure your preferred course at university, don’t despair. Here are some options that may improve your competitiveness for future QTAC applications:

• Enrol in a less preferred course to upgrade in the future
• Consider a TAFE certificate or bridging/preparatory course through tertiary providers
• Sit the STAT (Special Tertiary Admissions Test)
• Consider Open Universities Australia which provides Distance Education TAFE and Uni courses with no entry requirements

Pathways to Medicine

Pathways to Medicine is a program specifically designed for senior students and their parents and explains the preparation, application and decision-making strategies required to get into Undergraduate Medical courses throughout Australia. This is a private business run by Dr Wendy Grigg who discovered lots of interesting information while helping her own three children find different pathways into Medicine. For more information about the services Wendy can provide if you or your child are considering a future in Medicine email Wendy at wendy@pathways2medicine.com.au

Christian Heritage College

For Year 12s and others thinking about courses and careers in the future, you may wish to consider a course at the Christian Heritage College in Brisbane. CHC combines smaller class sizes with a Christian Worldview and aims to integrate future professions with faith. You can find more information about CHC on their website, www.chc.edu.au.

Online Horse College

Students with an interest in horses may be interested in courses offered on-line by this college. More information can be found at their website www.onlinehorsecollege.com

Very best wishes to all our Future Pathways students for a very exciting and productive year!

Joan Ferris, Co-ordinator Future Pathways, joan.ferris@gccc.qld.edu.au

Pause and Ponder

Every parent knows the difference between rules designed primarily for the benefit of the parent and those designed for the benefit of the child. God’s rules fall into the latter category. As Creator of the human race, God knows how human society will work best. This can be seen in the very practical nature of the ten commandments and Jesus underscored this principle when He said, “The Sabbath was made for man, and not man for the Sabbath.” Mark 2:27.

The Bible is a most realistic book. It assumes human beings will be tempted to lust after a neighbour or want someone else’s property, to work too hard, to strike out in anger at those who wrong them. It assumes we will bring disorder to whatever we touch. Each of the ten commandments offers a shield of protection against that disorder. We have the freedom to say no to our sinful inclinations. By doing so, we avoid certain harm. Taken together, the ten commandments weave life on this planet into a more meaningful and structured whole, the benefit of which is to allow us to live as a peaceful, healthy community under God.

Philip Yancy
Campbell Inter-house Swimming Trials for 9 years to 15 years of age

To encourage maximum participation and to appropriately stream races, we will be holding a Swimming Trial day (heats). Students will swim 25m in freestyle as a compulsory event (swimming aid can be used) to qualify for A, B, C, D races and nominate to swim backstroke and breaststroke. This will enable students to race in the carnival against students of similar swimming ability. Butterfly age races will be swum at the trial not at the carnival on Thursday. Students will not be permitted to buy anything from the pool canteen during this event.

**Date:** Wednesday 6 February 2013  
**Venue:** Beerwah Swimming Pool  
**Time:** 8.45am to 10.36am for Primary (Age 9 years to 11 years)  
12.00pm to 2.30pm for Secondary (Age 12 years to 15 years)

GCCC Swimming Carnival for Age 9 years and older

The annual GCCC Inter-house Swimming Carnival is here again! Participation in the carnival is compulsory for all students aged 9 and up. Fun participation races will also be run throughout the day.

Distance races will begin at 8.00am. Students will need to nominate individually for these events through the HPE Department. Students need to bring lunch, water and snacks for the day. Students will also need to wear their house coloured sports uniform.

The HPE Department and chaplains will be running a barbecue selling sausages in bread for $2. Money raised will be used to buy supplies for Thabo Jen's friends at the MIS Children’s Home is Lesotho, Africa. The canteen at the pool will be available but hot chips will not be for sale. For more details, please refer to the information letter sent home.

**Date:** Thursday 7 February 2013  
**Venue:** Beerwah Swimming Pool  
**Time:** 8.50am to 2.45pm

Cheerleading Starts Term 1, Week 3, 2013

GCCC are offering classes in 'American style' cheerleading, including lifts and tumbling with the goal of competing in Regional and State competitions for afterschool training with Samford McMurray (grades 4-12) $90 term plus insurance and competition fees (uniforms and shoes may also need to be purchased).

We will run lunchtime classes at the College for Primary (grades 4, 5, 6) and Secondary students. This is a free programme offered by the Sports Department with minimal external expenses (e.g. uniforms, shoes and optional workshops etc) to put on displays at school functions.

Students are welcome to do both competitive and non-competitive.

If you are interested or would like further information please email the PE & Sports Assistant @ kristene.freeman@gccc.qld.edu.au for an information/enrolment pack.
The 2013 Football season is kicking off at the Elimbah Meteors Junior Australian Football Club. The official start of the 2013 competition begins for the Juniors (U6s – 11s) on Saturday 20th April.

SEASON SIGN ON

SATURDAY 9th & SUNDAY 10th FEBRUARY, 2013 FROM 10AM TO 2PM AT ELIMBAH RECREATION & SPORTS GROUNDS, OFF ROSE CREEK ROAD, ELIMBAH

We are proud to announce that ELIMBAH METEORS Junior AFC is registered for the governments GET STARTED campaign. Eligible parents, carers and guardians could obtain up to $150 towards their child’s registration/membership fees. For more information, follow this link…

- you will require proof of age (eg. Birth certificate or acknowledgement, photocopy of passport etc), please bring a copy with you.

We offer a range of payment options. Cash, Cheque, Direct Bank Transfer.

$88 plus one off $30 Maintenance Levy

This levy is applicable to U6 & U8 only and is instead of the weekly $5 Match Fee. This money is utilized to pay for “maintenance” costs for these teams to be fielded ie. Jerseys, field markers, goal posts/flags, first aid etc. all require replacement or repair at times.

$125

* A WEEKLY GAME FEE OF $5 APPLIES FOR UNDER 9’s TO UNDER 11’s.

Registration Fees cover the cost of AFLJ registration and insurances. First aid, Umpires, Electricity etc. and the general running of the club.

Match Fees ($5 per week) cover the cost of maintenance of grounds, uniforms and club. This fee also assists with team photos, end of season awards and functions.

AUSKICK PROGRAM DATES – TBD
JUNIOR TRAINING WILL COMMENCE – 21ST MARCH

www.elimbah-meteors.org.au
