School Banking Account Opening Days

The Commonwealth Bank School Banking Program is available at Glasshouse Country Christian College, and has now been extended to the Middle and Senior school students.

School Banking is a fantastic way to develop skills in saving and money management. Students will have the opportunity to make a deposit into their bank account each week at school and earn some great rewards.

Students can get involved in the School Banking program by opening a Commonwealth Bank Youth saver account at any Commonwealth Bank branch or at one of the account sessions below at our school:

Thursday 31st July & Friday 1st August 2014
8.00 am – 9.00 am
In the Library

- Parents will need to be present if the student is under 16 and will need to bring photo identification such as a valid driver’s license or passport.
- No identification is required for the student, as the school will confirm your identity.
- Younger siblings may participate however you will need to bring their birth certificate or passport.

The student will receive an account wallet and deposit book that will be used to participate in the program.

This is a great fundraiser for our school. We receive 5% commission on every deposit made at school (up to a maximum of $10 commission per individual deposit). We also earn $5 each time a student banks at our school for the very first time). The commission will be donated to charity.
