Purpose
The GCCC Uniform Policy gives the uniform requirements of all the students in the College for normal and sports wear.

Principles
• The College uniform is an important part of the College’s identity and students should wear it with pride and distinction.
• All students are required to wear the approved school uniform to College and College events.
• All students of Glasshouse Christian College are expected to show pride in themselves and their College by meeting requirements relating to grooming and presentation.
• Parents are asked to support the GCCC Uniform Policy by ensuring that their child (children) has the required uniform, and that they wear the uniform neatly and correctly.
• The Uniform Policy is endorsed by the College Board and enforced by the Principal, Heads of Schools and teaching staff.
• Agreement to adhere to the College Uniform Policy is a condition of enrolment.

What to Wear and When
As a general rule, the PE Uniform is to be worn on those days when students have sport, practical PE and practical Dance. The actual days for each class will be determined at the beginning of Term One.
• Secondary boys must wear ties during Terms 2 and 3. Ties must cover the top button of the shirt.
• Hats must be worn during outside activities.
• The sports hat is optional with the formal uniform for secondary students.
• School jumper may be worn with PE uniform.
• House shirts are to be worn for a variety of house based sporting and other activities. No other coloured shirt is permissible.

NON-UNIFORM DAYS
When non-uniform is allowed, such as free dress days at College or camps, students are expected to wear casual but modest, sun safe items of clothing. Sleeveless shirts, tank tops, short shorts or blouses that expose the midriff, tops with logos and writing that are contrary to the College values, are not acceptable. The usual rules for jewellery apply on these occasions but may be relaxed on camps. Shoes must be enclosed and allow normal activities. No decorative or sport hosiery or undergarments are permissible.

All items listed in this policy must be purchased from the Uniform Shop only, except those marked with an *.

Policy
There are certain expectations made of students in regard to the College uniform. The uniform should be worn completely, correctly, clean, pressed and in good repair. This helps the College to set and maintain high standards and engenders pride in appearance. Details of the uniform are listed in the following pages.
